RE: Application of Blue Granite Water Company for Approval to Adjust Rate
Schedules and Increase Rates – Docket No. 2019-290-WS

Dear Ms. Boyd:

ORS appreciates the reconciliation exhibit detailing the Commission's determination of the revenue requirement in its March 25, 2020 Directive that was provided to the parties by the Commission Staff on March 26, 2020. ORS is continuing to work to reconcile all the adjustments in the reconciliation exhibit. If there are workpapers available with formulas intact showing the adjustment column calculations used to create the reconciliation exhibit, ORS believes those would also be beneficial to it and the other parties to be able to review.

Thank you for your consideration.

Sincerely,

s/ Alex W. Knowles
